

Let's Celebrate Safer Internet Day 2018

Name: _____ Class: _____

Good manners online

Your class has a Whatsapp group chat. Lately, some classmates have been gossiping about a particular student. What should you do?

You have used many pictures from the internet for a class project. Should you acknowledge your sources? Why?

During a lesson in the Cyberlab, you notice that the girl sitting beside you is playing games instead of doing her work. Is she doing the right thing? How would you react?

During recess, you see a group of girls using their hand phones to watch music videos. What would you do next? Why?
