Re: PSLE 2021: Supporting Students and Parents in Making School Choices

MOE has released the indicative PSLE Score ranges for individual secondary schools, based on the 2020 P6 cohort's PSLE results and school choice patterns at the 2020 S1 Posting Exercise.

The following are key information from the announcement:

- The indicative PSLE Score ranges for individual secondary schools serve as a good reference point for you and your child/ward as you begin considering secondary school choices.
- Besides the indicative PSLE Score ranges, there are other equally important factors to consider when choosing a secondary school such as schools' distinctive programmes, schools' ethos and culture, CCAs as well as home-school distance.
- Your child/ward can also consider the Direct School Admission for secondary schools (DSA-Sec) as an alternative admission pathway.

To support you and your child/ward to choose suitable secondary schools under the new PSLE Scoring System, MOE has provided the following resources:

- An infographic sharing tips on how to choose a suitable secondary school;
- The SchoolFinder website which has information on individual secondary schools and their school programmes, locations.

We have also attached 2 documents for your reference:

1. A Secondary School That's Suitable For Your Child
2. PSLE Infosheet on the changes to the PSLE Scoring and S1 Posting systems
