Empowered Learners, Persons of Strength & Character

BGPS/84/22

27 June 2022

Dear Parents/Guardians

1. Term 3 Message from Principal

Greetings and a warm welcome to all BGPIans for Term 3! I hope that you and your child had an enjoyable break and would like to thank you for your strong support and efforts in partnering the school in the first half of the year. The numerous positive messages and compliments that you and the community have sent to our school as well as to individual teachers are very much appreciated. Term 2 culminated on a high note with an engaging and authentic Curriculum Experience (CE) Day where students lived up to the school's vision of Empowered Learners, Persons of Strength and Character as they exercised personal ownership in choosing their preferred learning stations. The highlight at the end of CE Day was the Principal's Challenge – a sports-stacking competition that requires concentration, agility, and accuracy. Our students have demonstrated exceptional resilience and determination to learn and fulfil the CE Day objectives. Indeed, they were curious about learning, critical in their thinking, and demonstrated their varied talents – sportsmanship, communication, leadership, art and craft, problem-solving, musical intelligence and mathematical intelligence! I am especially grateful for the strong support of our alumni volunteers, Parent Support Group (PSG), and parent volunteers, including the many fathers who have met together since January to form our new BGPS Fathers' Group! Special mention goes to all teachers and staff, especially Heads-of-Department Ms Sangeetha and Mr Liu Peng, and Vice-Principal Mr Yeo for leading in the planning and implementation of CE Day. I wish to also thank HOD/Discipline Mrs Judy Swee and the Sports Stacking Team for uncovering new talents in sports-stacking. Congratulations to Jaime Ho (4 Integrity) for winning the inaugural Principal's Challenge, with a timing of 9 seconds for completing a full cycle, and to Kieran Tan (5 Respect) for exhibiting high agility and dexterity!

In BGPS, we promote a growth mindset where students leverage the 7 Habits to 'grow' their abilities through hard work, a willingness to learn, and an openness to feedback. We provide different learning opportunities so that our students continue to benefit from transformed learning experiences and strengthened well-being to ensure that they continue learning and growing. Living with COVID-19 means that we must be nimble, but at the same time, we must not let our guard down. We have made deliberate efforts to ensure that Safe Management Measures (SMM) are in place for all events and programmes, and we stand ready to be adaptable in adjusting these plans when necessary in alignment with the national posture. This is to ensure that learning can take place smoothly, and that everyone in BGPS will be kept safe.

Here's wishing everyone an exuberant Term 3 and a great time of learning and growth in BGPS! For parents who are keen to join our PSG and/ or our newly-formed BGPS Fathers' Group, do approach our Partners Committee ICs HOD/Discipline Mrs Judy Swee, or AYH/MP Mdm Halimaton Abdullah to find out more.

3. Staff Movement

We are delighted to welcome the following teachers: Ms Nurrashidah Binte Mansoor, Ms Chan Pei Xin Joyce and Ms Lee Liang Khim Dawn to the BGPS family. We bid farewell to Ms Veni Vasanthakumar (SH/NE&SS), Mdm Chiam Hwee Koon (Teacher) and Mdm Rokiah Binte Ibrahim (Student Welfare Officer) and wish them all the best in their future endeavours.

4. Safe Management Measures

We wish to reinforce the safety message to all students and parents/ guardians to continue exercising social responsibility by observing SMMs. Face masks must be worn properly at all times except during physical activities and eating/ drinking. Surgical masks, or reusable masks of equivalent effectiveness should be used. If your child/ ward has flu-like symptoms such as sore throat, cough, runny nose and fever, medical treatment should be sought immediately. When students need to stay home due to an illness, teachers will provide learning support after recovery. Let us all play our part in this joint effort to keep our nation and our school safe. MOH's Healthcare Protocols can be found at <https://www.covid.gov.sg/>.

5. Exercising Responsibility towards Personal Belongings

We have informed students that they should not trouble their parents/ caregivers to bring items that they have forgotten to bring, including pocket money, POSB Smart Watches, water bottles and their lunchboxes, except for medication. For pocket money, they can approach their form teachers or the General Office to borrow money for their recess and return the money the next day. To cultivate the school values of responsibility and resilience, students need to learn to develop habits of remembering what they need to do, and to take ownership and responsibility by accepting consequences for their actions.

6. Change in school dismissal timings

With further easing of the SMMs nationwide, the school will be changing dismissal timings for the various levels to the following **with effect from Thursday, 30 June 2022**:

Levels	New Dismissal Time from Thursday 30 Jun 2022
P1 & P2	1.25 p.m.
P3 & P4	1.30 p.m.
P5 & P6	1.35 p.m.

7. Resumption of unstructured play during recess

From **Thursday, 30 June 2022**, the school will allow students to engage in unstructured play during recess. The basketball court behind the canteen and the school playground will be open for students to play. The school will deploy additional staff members to be on duty at various points in the newly opened areas to ensure student safety. The renovation works for the school field will also be completed by this term and open for unstructured play soon.

On another note, the school library will also be open to all students during their respective recesses for them to browse and borrow books.

8. Class Photo-Taking

Please be informed that the class photo-taking for all levels will be held on Tuesday, 12 July 2022, Wednesday, 13 July 2022 and Thursday, 14 July 2022. Students' photos are taken individually and digitally placed together (in alignment with SMM). Students must be in school uniform for their class photo-taking session. The school will provide further details on the class schedule for the photo-taking at a later date.

9. Home-School Partnership

As part of our school's continuing efforts to stay connected and strengthen school-family relationships, Form Teachers will call/ arrange for a meeting/ home visit to engage parents/ guardians in a discussion on how to better support your child/ ward this semester. We hope to learn about your aspirations as well as your concerns for your child/ ward. We look forward to your support when our Form Teachers engage you or your child/ ward.

10. Canteen Menu & Price Lists

Health has always been an important aspect of a child's holistic development. The School Canteen Committee works closely with our canteen stallholders to ensure the adoption of hygienic food preparation methods, the provision of healthier food options and the sale of food at reasonable and affordable prices to pupils and staff. We seek your cooperation in ensuring that your child/ ward brings sufficient pocket money to school for his/ her meals. The Canteen Menu and Price Lists for the canteen stalls can be found at our school website.
