Dear Parents/Guardians

1. Term 4 Message from Principal

Welcome to Term 4 2022! I hope you and your family had a purposeful Term 3 school holidays. As we approach the final lap of the school year, I would like to urge all BGPIans to take time to reflect, recharge and review what and how we have learnt. With the relaxation of safe management measures, Term 4 will include many exciting opportunities for your child/ ward to continue to develop holistically. We constantly remind ourselves and our BGPIans to make the best of every opportunity to learn and interact well with their peers. We also begin the new term with focus on the school value of Compassion, and the habit of Seek First to Understand, Then to be Understood.

With much joy and jubilation, we ended Term 3 on a high note as our P5 Student Councillors conceptualized and planned the Teachers' Day celebrations with the theme 'You are my Sunshine' under the guidance of Mr Lim Fang Rui (Subject Head/ Student Well-Being), Mrs Margaret Teo (Year Head/ Middle Primary) and Mrs Judy Swee (Head of Department/ Discipline). On this special day, our student leaders together with the Parent Support Group honoured our teachers with originally crafted performances and demonstrated their strengths and talents in leading and inspiring others. We are also glad to share plenty of good news regarding staff and student achievements, as reflected in the next segment. I wish all BGPIans a very fruitful term ahead!

3. Staff Movement

We are delighted to welcome the following staff: Ms Sim Seok Lee Cindy (Dental Nurse), Ms Nuraishah Binte Abdullah (Art Therapy intern) and Mr Syed Syarafuddin Bin Syed (Desktop Engineer) to the BGPS family. We bid farewell to our dental nurse, Ms Eveline Low Kia Yong, and wish her all the best in her retirement.

4. Students' Well-Being

Term 4 may be perceived as a fast-paced term where students experience increased pressures as the academic year culminates in the End-of-Year (EOY)/ national exams, before the much-awaited year-end school holidays. Term 4 may also bring a sense of anxiety to some students who may worry about how their results may impact their future, especially for the graduating students who will be transitioning into the next phase of their educational journey. In supporting our students' well-being, <https://www.schoolbag.edu.sg/#> features the latest news on Singapore's education system, including useful tips for parents/guardians. Here are some interesting reads as our children move into Term 4:

Recognising and talking about stress	https://www.schoolbag.edu.sg/story/recognising-and-talking-about-stress
Facing new and unfamiliar situations	https://www.youtube.com/watch?v=tk3Ky1BCt_A&t=29s

Our teachers will dedicate time and attention at the start of Term 4 to check in on the well-being of our students. This is part of our continued efforts to strengthen students' resilience and support their mental well-being. We hope you will continue to work in partnership with our teachers in monitoring the well-being of your child to address your child's unique challenges in Term 4.

5. Pre-PSLE Study Break

The Ministry of Education will be implementing a study break for P6 students from 26 to 28 September as an additional measure to support student well-being and minimise any risk of school-based COVID-19 transmission prior to the PSLE.

During the study break, P6 students are strongly encouraged to remain at home. Students who require assistance from their teachers may do so through online consultations. Schools will remain open for P6 students who require in-school support. Our Student Care Centre will remain open in the afternoons during the study break for families who require the service.

6. Home-Based Learning (HBL) for Selected Levels during PSLE Written Exam Period

Our school will implement HBL for selected levels during the PSLE written exam period. Please refer to the calendar of events on the HBL dates for P1 to P5 students. Our Student Care Centre will remain open in the afternoons during HBL days.

7. Canteen Menu & Price Lists

In our continuous effort to promote healthy food at the canteen, our canteen food stallholders have collaborated with HPB to upskill their food preparation of new menu with good ingredients and spices and launch the new food menu at recess. We hope parents would encourage your child to support the new set meals. Our new Canteen Menu and Price Lists for the canteen stalls can be found at our school website.
